

Level 3 NVQ Certificate in Business and Administration

Who is this course suitable for?

This qualification is suitable for individuals who work in an administration role across a wide range of industries and types of organisations. It is aimed at people who already have experience of office-based skills; perhaps in, or preparing for a line management role. Learners can choose from a bank of optional units which show their ability to negotiate, supervise, manage and contribute to the running of an office. On completion, learners can progress to a Level 3 Diploma, or to a Level 4 qualification.

Course Content

The qualification is made up of units, which each have a credit value. You must achieve a minimum of **30** credits to gain the full qualification. There are **4** mandatory units; you must then select a minimum of **17** credits from the optional units, **11** from Optional Group B and a further **6** from Optional Group B or C. Further unit selection criteria is in place, your advisor will inform you of this when you select your units. All units must be completed in order to achieve the full qualification although single unit accreditation is available.

Why do this course?

On completion of this course you will receive a nationally recognised qualification, accredited by City and Guilds, which proves you have attained a level of job competence.

Delivery Option 1- Distance Learning

You will be allocated an assessor who will provide you with guidance via phone and email to build a portfolio of evidence in line with the qualification standard. You will also be given access to our online qualification portal which provides access to resources and assignments.

The evidence you will need to produce will include completing assignments, writing personal statements and undertaking professional discussions with your assessor. You may also need to get a witness testimony from a senior colleague at your school to confirm your performance of certain tasks in line with the qualification standard.

Delivery Option 2 - Enhanced Distance Learning/Work Based Learning

This option is available to individuals who work within the Yorkshire region. We may also be able to deliver in this way to those who work in other areas for a minimum cohort of 10 candidates.

The qualification will be delivered through a combination of distance learning and work based learning. You will be allocated an assessor who will provide you with guidance via phone and email to build a portfolio of evidence in line with the qualification standard. In addition you will also receive 3 face to face support visits on the schools premises. You will also be given access to our online qualification portal which provides access to resources and assignments.

The evidence you will need to produce will include completing assignments, writing personal statements and undertaking professional discussions with your assessor. You may also need to get a witness testimony from a senior colleague at your school to confirm your performance of certain tasks in line with the qualification standard.

Course Duration

An average time of completion is around 10 months for this course, however you can complete sooner if you wish. We will discuss this with you at

Level 3 NVQ Certificate in Business and Administration

enrolment. You can start this course at any time.
