make recommendations to which units will be most appropriate for you to do.

Delivery

The delivery of the qualification could be via workshops, face to face on the school's premises or a combination of the two methods. This will depend upon your location and how many candidates there are in the surrounding area. STAR will inform candidates of the delivery method prior to the course starting. We will aim to meet your requirements wherever possible. In all cases you will be assigned an assessor who will be available via phone and email.

Additional Support

You will also receive a unique username and password which allows you to gain access from our website to an e-portal named 2Develop containing support material and training needs analysis questionnaires specifically for your qualification. The portal also provides you with an electronic continuous professional development portfolio that allows you to keep track of all your records, achievements and development needs in one flexible

document. Your assessor will show you how to use this resource.

Course Duration

An average time of completion is between 9-12 months for this course, however if you are accessing funding for this course there may be a set time limit in which you have to complete. You will be notified of this prior to commencing your course.
